

**AUDIT COMMITTEE CHARTER  
OF  
GRAPHJET TECHNOLOGY**

**Adopted: [February 28], 2024**

The responsibilities and powers of the Audit Committee (the “*Committee*”) of the Board of Directors (the “*Board*”) of Graphjet Technology (the “*Company*”), as delegated by the Board, are set forth in this charter (this “*Charter*”).

**I. PURPOSE**

The purpose of the Committee shall be to represent and assist the Board in the oversight and monitoring of:

- The Company’s accounting and financial reporting processes and the audits of the Company’s financial statements;
- The integrity of the Company’s financial statements;
- The Company’s internal accounting and financial controls; and
- The Company’s compliance with legal and regulatory requirements, and the independent auditors’ qualifications, independence, and performance.

**II. COMMITTEE COMPOSITION**

The Committee will consist of three or more directors. The members of the Committee shall be appointed by and serve at the discretion of the Board. Members of the Committee must meet the following criteria:

- Each member must meet the independence and experience requirements and standards established from time to time by the U.S. Securities and Exchange Commission (the “*SEC*”) and any securities exchange on which the Company’s securities are listed or quoted for trading, in each case as amended from time to time.
- Each member of the Committee must be able to read and understand fundamental financial statements, including the Company's balance sheet, income statement, and cash flow statement. At least one member of the Committee must have past employment experience in finance or accounting, requisite professional certification in accounting or other comparable experience, or background that leads to financial sophistication. At least one member of the Committee must be an "audit committee financial expert" as defined in Item 407(d)(5)(ii) of Regulation S-K. A person who satisfies this definition of audit committee financial expert will also be presumed to have financial sophistication.
- Each member shall also meet any other requirements and standards established from time to time by the SEC and any securities exchange on which the Company’s securities are listed or quoted for trading, in each case as amended from time to time, for audit committee members.

The Board shall designate one member of the Committee as its chairperson, *provided*, that if the Board does not so designate a chairperson, the members of the Committee, by majority vote, may designate a chairperson.

A Committee member may resign by delivering his or her written resignation to the chairman of the Board, or may be removed by majority vote of the Board by delivery to such member of written notice of removal, to take effect at a date specified therein, or upon delivery of such written notice to such member if no date is specified. The Board shall have the power at any time to fill vacancies in the Committee, subject to such new member(s) satisfying the above requirements.

### **III. MEETINGS AND PROCEDURES**

The Committee will set its own schedule of meetings and will meet at least quarterly, with the option of holding additional meetings at such times as it deems necessary or appropriate. A majority of the Committee members shall constitute a quorum. Once a quorum has been established at a meeting, the subsequent withdrawal of members of the Committee so as to reduce the number of members of the Committee present at the meeting below the amount required for a quorum shall not affect the validity of the actions taken at the meeting or an adjournment of the meeting. Actions taken at a meeting, to be valid, shall require the approval of a majority of the members of the Committee present and voting. Actions taken in writing, to be valid, shall be signed by all members of the Committee; however, the Committee may delegate to one or more of its members the authority to grant pre-approvals of audit and non-audit services, provided the decision is reported to the full Committee at its next scheduled meeting.

The Committee will maintain written minutes of its meetings, which minutes will be filed with the minutes of the meetings of the Board. Periodically, the Committee shall meet separately with the Company's management, with the internal auditors and/or internal control director, and with the independent auditors.

The Committee may form subcommittees for any purpose that the Committee deems appropriate and may delegate to such subcommittees such power and authority as the Committee deems appropriate. The Committee shall not delegate to a subcommittee any power or authority required by law, regulation or listing standard to be exercised by the Committee as a whole.

The Committee shall make regular reports to the Board, which reports shall include to the extent that the Committee deems appropriate, any issues that arise with respect to the quality or integrity of the Company's financial statements, the Company's compliance with legal or regulatory requirements, the performance and independence of the Company's independent auditors or the performance of the internal audit function.

### **IV. COMMITTEE AUTHORITY AND RESPONSIBILITIES**

The Committee shall appoint and oversee the work of the independent auditors, approve the compensation of the independent auditors and review and, if appropriate, discharge the independent auditors. In this regard, the independent auditors shall report directly to the Committee, and the Committee shall have the sole authority to approve the hiring and discharging of the independent auditors, all audit engagement fees and terms and all permissible non-audit engagements with the independent auditors.

The members of the Committee are not employees of the Company and it is not the duty of the Committee to plan or conduct audits, perform other accounting procedures, or determine that the Company's financial statements are complete and accurate and are in accordance with GAAP. Rather,

the foregoing are the responsibility of management and the Company's independent registered public accounting firm.
